

Liberating the NHS

July 2010

Drivers for change

- Economic Downtown
- Increasing elderly population
- Expensive drugs
- Calculated need to save £20 billion over next 4 years, current NHS budget of £100 billion

The Local scene

- SE London reorganisation
- 40% management cuts in PCT budgets
- Southwark- pathfinder
- Sub committee of PCT
- Increasing devolvment of funds
- 30% in first year – Medicines management
Urgent and unscheduled care, Long term
conditons

Patient participation

- No decision about me without me

Patient input from bottom up and up down
